Mail Stop Appeal Brief – Patents (via EFS)
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Appellants acknowledge the PTO Communication issued on June 2, 2008. The errors corrected by the Communication were not significant and did not interfere with Appellants' briefing of this appeal.

Appellants waive any right they may have to submit a further response, and respectfully urge that this case immediately be forwarded to, and docketed by, the Board of Appeals.

Appellants are disappointed, to say the least, that this case has yet to be docketed with the Board (let alone decided) even through more than one year has passed since Appellants filed their Reply Brief.

Respectfully submitted,

June 6, 2008
